Beth sy'n mynd i ddiwydd?

- Perllan gymunedol i'w datblygu ger y parc i bawb ei defnyddio
- Ardal gemau aml-ddefnydd ger y parc
- Bydd llwybrau'n cael eu gwella i roi mynediad i gerddwyr, ynghyd â gosod canllawiau llaw ar stepiau a rampiau, lle bo modd, i ddarparu mynediad i'r anabl
- Bydd manau parcio yn cael eu symud a chreu ardaloedd fflat yn Llan y Parc
- Y llwybr i'w ailosod ger rhifau 28 - 33 Ynys Las
- Datrysiadau draenio ger y parc ac ar Faes yr Onnen / Llwyn yr Eos
- Mesurau i rwystro beiciau oddi ar y ffordd ger y parc
- Darparu biniau sbwriel a gwastraff cŵn ychwanegol
- Glanhau gordyfiant a sbwriel ger ysgolion a pharc

Thank you Maes Mabon for helping 'shape your place'!

By coming along to events and giving your views you've helped shape plans for improving Maes Mabon, as part of the council's Welsh Housing Quality Standard (WHQS) Environmental Improvement programme.

What's going to happen?

- Community orchard to be developed near the park for everyone to use
- Multi use games area near the park
- Pathways will be improved to give pedestrian access, along with handrails on steps and ramps fitted, where possible, to provide disabled access
- Parking bays will be removed and areas flattened at Llan y Parc
- Pathway to be replaced near numbers 28 – 33 Ynys Las
- Drainage solutions near park and on Maes yr Onen / Llwyn yr Eos
- Measures to stop off road bikes near park
- Extra dog waste and litter bins to be provided
- Clean up of overgrowth and litter near schools and park
- New street signs and an entranceway sign onto Maes Mabon
- New seating on the way to the village

Some of these improvements will be quicker than others to deliver, so please bear with us!
