

Arrangements for the online show, 2020

This year's show is taking place online due to restrictions on large gatherings. This means that entries will need to be photographed and emailed to **summershow2020@yahoo.com** by the closing date: **Sunday, 2nd August**.

The number of classes are reduced this year, as we can only judge entries on appearance rather than size, taste or technique. You can download a full list of classes below or click "Classes" from the menu.

Show schedule [Download](#)

By entering you must agree to your photographs being published on this website, and to being named as a prize winner.

Entries and winners will be published on Saturday, 8th August 2020 on this website.

For each entry received, the community council will make a donation to the chairman's chosen charity, which this year is Macmillan Cancer Support.

How to enter

The show is open to residents of Nelson and surrounding villages only.

Entries this year are **free**. You may submit a maximum of 3 entries in each class. Please only submit one photograph for each entry.

Please email photographs to **summershow2020@yahoo.com** making sure to include in the email your name, address and, if entering for a child, their name and age.

Please also include the following statement: "I agree to my photographs being published by Nelson Community Council and to being named as a prize winner".

For each photograph, please clearly identify in which class it is being entered.

Please note that the community council may need to reduce the resolution, resize or crop your photograph before uploading it to this site. (Photographs in the photography section will not be cropped).

The closing date for entries is midnight on Sunday, 2nd August.

Prize money

Prizes in all classes are: 1st=£5, 2nd=£3, 3rd=£2. All prizes (except in the children's section) will be paid by cheque. We will not be presenting the usual cups and trophies this year.

Prizes may not be awarded if a judge considers the standard of entry in any class to be too low or if any entry is excluded as not appropriate to the class. Items shown must not have previously been entered in the show. The judge's decision is FINAL.
